

PERRYWOOD ESTATES RESURFACING PROJECT

Burtonsville, MD

PURPOSE

This newsletter is to inform you of the upcoming road resurfacing of Perrywood Estates. Please see the Project Map located on the reverse side of this newsletter for the locations. This project will consist of micro-surfacing, slurry application, and roadway resurfacing. This pavement system preservation project employs long term strategies to improve roadway conditions.

IMPACTS

There will be Parking Restrictions, Lane Closures and temporary detours. We will do our best to keep the impact of traffic to a minimum. Two days prior to the application of micro-surfacing, temporary "No Parking" signs (7am-7pm) will be placed along the road. Please walk or drive carefully through the work zone. We thank you for your cooperation and patience.

SHOULD THE POLICE TOW YOUR VEHICLE, CONTACT THE POLICE NON-EMERGENCY NUMBER (301-279-8000.)

SCHEDULE

This project is scheduled to start in the Spring and will take roughly 1-2 weeks to complete, weather and other operational requirements permitting. Work hours will be between 7am and 5pm, Monday through Friday.
